USTA TEXAS

1. CREATE A USTA TEAM:

1A. General and local league registration information is forwarded via email to captains as well as posted on the Dallas Tennis Association's (DTA) website at www.dta.org.

1B. To request a USTA Team Number for a local league, email the Local League Coordinator at leagues@dta.org with (1) League Name, (2) Facility Name, (3) Level of play, (4) Captain's Name and (5) Captain's USTA Number. Team numbers will be emailed to the requesting captain by the local league coordinator. Once a captain receives a team number, you may use the USTA TENNIS LINK registration system to add players at http://tennislink.usta.com/leagues.

1C. Captains are required to obtain a new team number at the start of every local league season.

2. PLAYER REQUIREMENTS:

2A. All players must be current USTA members throughout the league season to be eligible to play any USTA match. It is each player's responsibility to join or renew his/her membership.

2B. For league play, player must be 18 years of age *prior* to participating in 18 & Over ADULT, 40 years of age for 40 & Over ADULT, 55 years of age for 55 & Over ADULT, 65 years of age for 65 & Over ADULT within the calendar year.

2C(1). All players with a valid computer rating must play two (2) matches during the local league season (one (1) of which may be a default) in all leagues other than 55 & Over MIXED, Combo Doubles and Tri Level which require only one (1) match (zero defaults) to be eligible to participate in championship competition (Local League Championship, Sectionals, etc…).

2C(2). All Self-Rated and Valid Computer Rated Appealed players must play three (3) matches during the local league season (zero defaults) in all leagues other than 55 & Over MIXED, Combo Doubles and Tri Level which require only one (1) match (zero defaults) to be eligible to participate in championship competition (Local League Championship, Sectionals, etc…).

2D. In the Adult and Mixed Divisions, all players other than Self-Rated and Valid Computer Rated Appealed Players are eligible to advance to National Championship competition if that player has played on the same team in at least three (3) matches at the same NTRP level in the same Age Group through Sectional Championships and is otherwise eligible. A maximum of one (1) default received by the player during local league or championship competition shall count for advancing.

All Self-Rated and Valid Computer Rated Appealed players are eligible to progress to National Championship competition if that player has played on the same team in at least four (4) matches at the same NTRP level in the same AGE Group during its local league season and is otherwise eligible. No defaults received by the player during local league or championship competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions.

3. ROSTER:

3A. A minimum roster as indicated on league information forwarded by the DTA must be registered on USTA TENNIS LINK by the posted registration deadline to qualify a team and be included on the local league schedule.

3B. Team registration will be online through USTA TENNIS LINK at http://tennislink.usta.com/leagues using team number provided to captain by local league coordinator. Teams may add players any time prior to the date on the schedule of their second to last regular season match.

3C. Once league flights or schedules are published on USTA TENNIS LINK, team rosters are considered set and only new players may be added. No player movement between teams/levels/flights will be allowed.

3D. Leagues fees are Non-Refundable/Transferrable unless the level entered does not make.

4. PLAYER PARTICIPATION/PRIMARY TEAM DECLARATION:

4A. A player may play on one team in a NTRP level within a division** in the same local league during the same season. When the NTRP levels are divided into flights, players may not play in more than one flight at the same NTRP level in the same local league.

4B. A player may play on more than one team within a division** in the same season provided it is in different NTRP levels.

4C. A player may play on more than one team within a division* at the same NTRP level provided it is in separate local leagues.

4D. It is the responsibility of the captain to know if they have any players that qualify for championship play on more than one team within the same division**. A player who will be attending Sectionals with a team from another local league is not eligible to participate in USTA Dallas playoffs in the same division.

Players will be allowed to play on more than one team at different NTRP levels during Section Championship. This will include Local League Post Season Play to include League Play Offs and City Championships.

If a player participates on more than one team during Post Season Play (i.e. League Play Offs, City Championship, etc…) matches for multiple NTRP levels may be scheduled on the same day and time or different locations. Schedules may not be adjusted by the coordinator nor will match start times be delayed due to waiting on a player that is playing in a different match at another NTRP level.

Player rest periods between different levels of play will NOT be guaranteed. Rest periods are only allowed if it is within the same level of play. Post Season (i.e. League Play Offs, City Championship, etc…) schedules and matches will not be delayed by NTRP Level should a player participating on more than one team still be on court or just coming off court at a scheduled match time.

4E. If a Wild Card is extended post Dallas championship play, it is the responsibility of the captain to verify player's primary team declaration as said players may have declared an alternate primary team post championship play if the pending Wild Card team had been eliminated.

5. NTRP:

5A. A USTA rating is required for league play in all levels. An unrated player is required to Self-Rate before team registration. Go to http://national.usta.com (About NTRP Rating link) for more information. The local league has no control/influence over a player's NTRP rating.

5B. For straight NTRP level leagues (such as 4.0), players cannot have a rating higher than the NTRP level in which the player is competing. A player may only play one (1) NTRP level (.5) above the player's current NTRP level in the 18 & over ADULT and 40 & over ADULT Divisions.

5C. For MIXED, 55 & over ADULT and 65 & over ADULT (using combined NTRP levels, such as 7.0, 8.0, etc…), the combined NTRP level of the doubles team cannot exceed the combined NTRP ratings level entered. The NTRP difference between members of an individual doubles team may not exceed 1.0.

5D. Computer Rated Players & Self-Rating:
Returning USTA League tennis players begin with their most current NTRP computer rating. If more than three years (two years for players 65 and over) have elapsed since their last computer rating or a player has never had a computer rating, that individual may self-rate to enter the program. The NTRP characteristics have not changed. A player without a current computer-generated rating will self-rate while he/she registers for a team on USTA TENNIS LINK. Players begin to generate a dynamic NTRP rating after their first match with a NTRP computer rated player.

5E. Dynamic NTRP Ratings:
All match results and the use of national benchmark NTRP ratings will be used to produce year-end NTRP ratings published each December.

5F. NTRP Disqualification Procedures:
Dynamic ratings will be calculated for all players during local league competition, and at every level of championship competition below National Championships, to determine if any players have reached the NTRP disqualification criteria stated in the USTA NTRP Computer Rating System Procedures. Year-end computer (C) and benchmark (B) players are not subject to dynamic NTRP disqualification. All other players (S, A, M, T, D) will be NTRP disqualified if they reach the disqualification level three (3) times based on all matches reported in the National database for USTA League Tennis Adult and Senior divisions.

For Texas, if a self-rated (S), Medical Appeal and/or Computer Rated Appeal (A) player is promoted from a level of play, the player shall cease play immediately from the NTRP level being promoted from and graduate to the next higher NTRP level. All prior matches shall stand in good faith.

Captains and/or teams with 2 or more promoted players within a 12-month period may be subject to an NTRP Grievance and subsequent suspension from USTA Leagues.

6. SCHEDULE:

6A. The home team captain should notify the visiting team five (5) days in advance of the match time and accurate, up-to-date directions to the site.

6B. There will be a round robin format with the number of matches determined by the total number of teams registered on USTA TENNIS LINK within each NTRP flight/division by the scheduled league team roster deadline set by the local league coordinator.
If faced with an odd number of teams and limited play opportunities, the local league coordinator may schedule a Partial Round Robin (PRR). Teams will be assigned a number randomly and placed in a predetermined draw. Partial Round Robin will be used to maximize the available opportunities to play.

6C. Once the team roster deadline has passed, teams are committed to participate in local league play. Any team that fails to field the required lines of play will be subject to the Team Default rule as listed herein, #10A.

7. MATCH FORMATS ALL DIVISIONS:

7A. All local league matches, and local league championship matches will be played using the best of two sets criteria, conventional scoring, with a Coman set tiebreak (the first to 7 by 2) at 6 games all and a Coman match tiebreak (the first to 10 by 2) in the event of split sets. In the Coman tiebreak players change ends of the court after the 1st point, the 5th point, the 9th point, the 13th point, etc…

7B. The Home team will be responsible for providing the appropriate number of courts (2-hour minimum) and cans of new USTA approved yellow tennis balls.
Indoor or clay court play is optional provided the visiting team is agreeable.

7E. Rosters must be exchanged at the designated match time and all players should be on their assigned court ready to play. It is the responsibility of the captain to verify players at the time the lineup is exchanged. Ineligible players must be identified prior to the start of the match. Ineligible players will be recorded as a default (6-0, 6-0) in USTA TENNIS LINK.
7F. Captains should use scorecards on USTA TENNIS LINK to avoid playing ineligible players. Go to http://tennislink.usta.com/leagues. Click on "Record a Score" located under My Quick Links on the right. Enter your match number. Scroll to the bottom and click on "Print Blank Scorecard". Captains are responsible for verifying player eligibility prior to match play.
Scorecards printed off USTA TENNIS LINK for matches will include both teams' most up-to-date rosters.
7G. Points played in good faith stand. If a disagreement arises on court, it should be resolved before play resumes. Detailed information may be found in Friend at Court "The Code" available on the USTA website. Match results will stand as played, NO EXCEPTIONS.
7H. Match play must begin no later than 15 minutes after the designated start time per the 15-minute default rule. No line shall begin play before the 15-minute default time has passed unless all players from the higher singles/doubles positions are present. Defaults must be from the bottom up. (i.e.: Line 2 singles or Line 3 doubles if players are not available at the start of the match.) Doubles teams are to be moved up as a pair.
7I. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match. No substitution may be made in an individual match after the line-up has been presented, except for injury to, illness of a player during warm-up and an eligible replacement can be made within the default time. The substituted player may only take the position of the player whom they are replacing. If the substitution is made during the warm-up, the substitute player is entitled to a five-minute warm-up.
7J. NEW!!! INJURED PLAYER. A one-time ***3-minute*** medical time-out is allowed for injury, illness and heat related condition.
A maximum 15-minute medical time out is allowed for bleeding injury. If bleeding continues and match doesn't resume within 15 minutes, the match is retired.
If a player cannot complete the match, the match is retired. Scores are entered as played, e.g. 6-3, 2-0, RETIRED (not completed). Reference *"FRIEND AT COURT" 2022 version Table 13, pp. 97-98* for detail.
7K. Cell Phones & Other Electronic Devices
All communication devices are to be turned off during play. Should a player's communication devise go off during play their opponent may call a let on the first offense and warn the offender that any subsequent offense will result in the loss of that point.
7L. Coaching is NOT allowed during USTA League or Championship play.
7M. Play should be continuous. Between points, a maximum 25 seconds is allowed. When players change ends at the end of a game, a maximum 90 seconds is allowed. At set break, 120 second (2 minutes) is allowed.
Updated! There is no break after the 1st game of any set.
7N. NEW! TO RESOLVE A DISAGREEMENT. The players are expected to resolve disagreements on the court. Friend At Court, "The Code" describes a 3-step process for score disputes, in order of preference:

7J (1) All points & games are agreed upon by the players and REPLAY ONLY the disputed points or games.
7J (2) Play from a score that is agreed upon by all players.
7J (3) Spin a racquet or toss a coin.
7J (4) Under no circumstances may any other person or Captain intervene in a match in progress.

7O. When weather or unforeseen circumstances force the DTA League Coordinator to use an alternate scoring format during a local championship event (i.e. League Play Off, City Championship and Weekend Events), Dallas will utilize an 8-game Pro-Set with Ad scoring. If faced with time constraints, the DTA League Coordinator and VP of Leagues will determine the appropriate scoring format, which could include a shorter format.
8. MAKE UP MATCHES (Due to Rain/Championship Advancement/Extreme Weather):
8A. Rainout / Championship Advancement/Extreme Weather Make-ups:
All make-up matches for rain or championship advancement should be played within 14 days of the rainout/originally scheduled match. If a make-up match has not been entered in USTA TENNIS LINK within 14 days of the original match date, it should be considered as scheduled by the DTA League Coordinator on the 14th day at:

* 1:00pm for Women's Weekday Leagues
* 5:00pm for Men's and Women's Saturday Leagues
* 9:00am for Men's Sunday League
* 4:00pm for Women's Sunday League
* 3:00pm for 18 & over MIXED
* 6:00pm for 40 & over MIXED and 55 & over AGE GROUP

No match is to be rescheduled without the consent of the coordinator unless it is a rainout/championship play. Do not cancel for rain until the day of the match. Only lines that have started (first service attempt) stand for a rain make-up. A team is not held to any defaulted line(s) given.

Should teams be faced with inclement weather on the date of the scheduled make up match, teams have 7 days from that date to reschedule unless late in the season at which time the DTA will set a completion deadline (#8G).

8B. Updated! Players that do not complete their match within the original 2-hour time limit *and/or* are bumped from their court must remain available to resume the match for a period of 1 hour if the home team can decide to resume the match within 1 hour. If a court cannot be secured within an hour, the players/captains will have 48 hours to schedule the completion of the match (within 14 days) and provide the details to the league coordinator.

8C. Rain/Extreme Weather Delay:

If both captains have not agreed to declare a rainout/extreme weather, both teams (all players to play that day's match) must be available at the site for one hour beyond the scheduled match time.

8D. Extreme Weather Conditions. The HOME Captain determines the conditions at the match site and is responsible for notifying the VISITING Captain NO MORE THAN two (2) hours prior to match start time on the SCHEDULED DAY OF THE MATCH. Both captains should verify through www.weather.com. The following weather conditions may subject a match to be rescheduled:

(1) If the actual temperature is 35 degrees or below at the time match is scheduled to begin play.

(2) The actual temperature is 105 degrees or higher at the time match is scheduled to begin play.

If either of the above extreme weather conditions exist, either captain may reschedule the match. Once the match has started, it must be completed.

8E. Split-Time Match Play:

If individual match times must be scheduled separately due to court conflict, it is the home team's responsibility to notify and coordinate with the visiting captain.

8F. Automatic Reschedule Match Status. Any regularly scheduled league match(es) involving a team in which 50% or more of male or female roster players are scheduled to play in a USTA Dallas Local Play Off, Sectionals and/or Nationals event representing Dallas shall be granted AUTOMATIC RESCHEDULE status by the local league coordinator and the opposing team. It is the responsibility of the advancing team to notify their opponent NO LATER than 48 hours prior to the scheduled match date. Captains may reschedule the entire match or line by line. The affected match shall be rescheduled following the 14 days' make-up rule noted in 8A.

Teams with greater than 50% absence due to representation at a Sectional or National Championship for a city other than the one the local league is being played, will only be allowed to make up lines so their team plays a majority of the lines to constitute a valid team match (3-lines in a 5-line league; 2-lines in a 3-line league).

8G. The League Coordinator may reschedule a match at his/her discretion.

9. SCORING:

9A. Within 12 hours of a completed match BOTH CAPTAINS are responsible for entering scores using USTA TENNIS LINK. The first captain (or designated team member) to log on will enter the scores and the second captain (or designated team member) to log on will confirm or dispute the already reported results. In the event of a disputed score, contact the DTA office with the details at leagues@dta.org.

Match play and points are to be awarded to the player(s) who physically completed the match. NO EXCEPTIONS. Players may not be substituted during Score Entry on USTA TENNIS LINK nor may match results be altered. This will result in an AUTOMATIC Forfeit/Team Default, noted in rule #10. Both captains and players involved will be removed from USTA Dallas ADULT League play indefinitely.

9B. Scoring for all DTA/USTA matches will be as follows:

One point for each TEAM MATCH (consists of all individual matches) won.

9C. In the event of a tie, the following NATIONAL/ SECTIONAL guidelines prevail:

9C (1) Individual Matches. Winner of the most individual matches the entire competition.

9C (2) Head-to- head. Winner of head-to-head match *only if all tied teams have played each other and one team defeated all the teams that are tied.*

9C (3) Sets. Loser of the fewest number of sets

9C (4) Games. Loser of the fewest number of games.

9C (5) Game Winning Percentage: Total games won divided by total games played.

9C (6) Coin toss.

For 40 & over ADULT, if tied 2-2, the tie shall be broken by the first of the following methods to do so:

(a). Sets: Loser of the fewest number of sets.

(b). Games: Loser of the fewest number of games.

(c). Game Winning Percentage: Total games won divided by total games played

(d). Line 1 Doubles.

9D. A team that is awarded a defaulted line during local league season play may have up to 14 days from the original match date to request a player name change for the defaulted line on USTA TENNIS LINK. Player name changes must be requested through the local league coordinator via email at leagues@dta.org. This DOES NOT apply to Post Season play.

10. FORFEITS/Team Defaults:

10A. Forfeits start from the lowest singles or doubles lines. A team must play the majority of lines each team match or that match shall be considered a "team default". If a "team default" occurs for any reason during round robin play, the defaulting team will (1) default all remaining matches in the round robin, (2) not be eligible for the same Local League Championship for that season, and (3) all team members of the defaulting team must split up in the following season with no more than 4 members of the

defaulting team on any one team in the following season. After the season, if all teams in contention for championship play have already played the defaulting team in good faith, the matches stand as played; otherwise, all matches of the defaulting team shall be invalid.

11. COMPLAINT AND GRIEVANCE:

11A. Complaints and Grievances must be presented in writing to the DTA/Grievance Committee within five (5) days of the occurrence by (a) the team captain or acting captain that was present at the match, (b) a league coordinator or (c) a member of the league committee.

11B. The player and his/her captain will receive a copy of a properly filed complaint which will be held on file in the DTA office for a period of one year.

11C. The Local Grievance Committee will officiate any grievance against an individual or team. The parties involved will be given the opportunity to present their side of the event for which the grievance was filed. ALL GRIEVANCES REQUIRE A $50.00 FEE TO FILE WHICH WILL BE RETURNED IF THE GRIEVANCE IS UPHELD!

11D. If the matter is an NTRP protest, a team captain must submit a written protest directly to Todd Reed, Ratings Coordinator USTA TEXAS at treed@texas.usta.com.
