NOTES:

1. DTA and your fellow captains are expecting to play all 5 lines (3 lines for NTRP W2.5 and 5.0) throughout post season play, including League Play Offs and City Championship. Should your team accept their playoff spot and then default 2 lines in one (1) match or 2 or more lines over the entire City Championship, your team may be subject to potential disciplinary actions to be determined by the Post Season Grievance Committee. For W2.5 and 5.0+, if team defaults 2 lines or more over the entire City Championship, your team may be subject to potential disciplinary actions to be determined by the Post Season Grievance Committee. DTA's goal is to host Post Season Play. However, if faced with inclement weather, as the tournament organizer the DTA maintains the right to alter post season play (i.e. number of advancing teams, format, etc...) or possibly even cancellation.
2. **INCLEMENT WEATHER NOTE:** Should the DTA be faced with inclement weather conditions over the course of the weekend event, CHAMPIONSHIP schedule is subject to change. Matches that DO NOT impact the final standings may be cancelled at the discretion of the DTA. Please advise your players in advance that should weather dictate a schedule change or cancellation of match they are available to play/understanding of cancellation. THANK YOU!
3. It is the captain's responsibility to manage their players who might be advancing on multiple teams at the same NTRP Level. A player may ONLY play on one (1) advancing team at the same NTRP Level during League Play Offs regardless of day. If the player's League Play Off team advances to Cities, they are committed to that team if it is in the running for a National Championship. If their League Play Off team is eliminated but their secondary team is advancing, they may join that team at the next CHAMPIONSHIP LEVEL which would be Cities. Same principle applies if player is on two (2) teams at the same NTRP Level at Cities they may join the other team at Sectionals. **Exception**, when a player's team has been eliminated at Cities and the Section extends a Wild Card that player is allowed to choose which team they will advance with.

2022 USTA Dallas Rules and Regulations:

2C(1). All players with a valid computer rating must play two (2) matches during the local league season (one (1) of which may be a default) in all leagues other than 55 & Over MIXED, Combo Doubles and Tri Level which require only one (1) match (zero defaults) to be eligible to participate in championship competition (Local League Championship, Sectionals, etc...).

2C(2). All Self-Rated and Valid Computer Rated Appealed players must play three (3) matches during the local league season (zero defaults) in all leagues other than 55 & Over MIXED, Combo Doubles and Tri Level which require only one (1) match (zero defaults) to be eligible to participate in championship competition (Local League Championship, Sectionals, etc...).

2D. In the Adult and Mixed Divisions, all players other than Self-Rated and Valid Computer Rated Appealed Players are eligible to advance to National Championship competition if that player has played on the same team in at least three (3) matches at the same NTRP level in the same Age Group through Sectional Championships and is otherwise eligible. A maximum of one (1) default received by the player during local league or championship competition shall count for advancing.

All Self-Rated and Valid Computer Rated Appealed players are eligible to progress to National Championship competition if that player has played on the same team in at least four (4) matches at the same NTRP level in the same AGE Group during its local league season and is otherwise eligible. No defaults received by the player during local league or championship competition shall count for advancing. Retired matches shall count toward advancing for all players involved in both USTA League Divisions.
